Recruiting – OASIS OSLC Core Technical Committee

- Up to date of Aug. 6, we have 5 co-proposers as organizational members for OASIS OSLC Core TC, including Ericsson, Tasktop, Software AG, IBM and KTH and 1 individual member of OASIS from Koneksys.

  ▶ Core TC Charter has been drafted and collecting feedback from co-proposers.

  ▶ Plan to host group review of Charter on Aug. 14, 2013

  ▶ Target submission of Charter to OASIS is Aug. 30, 2013

  ▶ Ericsson and Tasktop are getting their legal department review of Charters

Company	V/E/U	Interest	Contact(s)	Notes
Ericsson	E	Y	Ludmila Ohlsson Carolina Canales	Lin have setup the walkthrough TC process, Ludmila support and would like to join over, she is taking draft of Charter to talk back with their legal team
Tasktop	V	Y	David Green	Tasktop would like to join, David Green will join as focal and is taking draft of Charter to talk back with their legal team
Software AG	V	Y	Yendluri, Prasad	Prasad would like to join, is taking draft of Charter to talk back with their legal team
IBM	V	Y	Dave Ings John Wiegand	Steve Speicher and John Arwe to participate
KTH	U	Y	Jad Elkhoury	We (KTH) join as "co-proposer" instead of active participant. The work involves giving feedback/review on key deliverable and should be less time consuming, and more flexible compare to being an active participant.
Siemens	V	N	Rainer Ersch Marqart Franz	we (Siemens) cannot participate in any IP related TC work, because we did not get IP clearance from one of our divisions yet. Therefore, we have to limit our contribution to the OSLC community on non-IP related activities (UGs, StC, etc).
Redhat	V	N/A	Mark Little	Mark is contacting the right person to discuss on this and has not yet given any feedback by Aug. 6.
Koneksys	V	Y	Axel Reichwein	Axel is an individual member of OASIS, Koneksys will not count towards the 2 organizational members
